The above-captioned debtors and debtors in possession (collectively, the “Debtors”) respectfully state as follows in support of this application (this “Application”):<sup>2</sup>

### **Relief Requested**

1. The Debtors seek entry of an order, substantially in the form attached hereto as **Exhibit A** (the “Order”): authorizing, but not directing, the Debtors to employ and retain Grant Thornton LLP (“Grant Thornton”) to provide independent audit services, effective as of March 12, 2024, in accordance with the terms and conditions set forth in the engagement letter, dated April 3, 2024, between WeWork Inc. and Grant Thornton (the “Engagement Letter”), a copy of which is attached to the Order as **Exhibit B** and incorporated herein by reference.

2. In support of this Application, the Debtors submit the *Declaration of Robert Fox in Support of Debtors’ Application for Entry of an Order Authorizing the Retention and Employment of Grant Thornton LLP as Independent Auditor Effective as of March 12, 2024* (the “Fox Declaration”), attached to the Order as **Exhibit B** and incorporated herein by reference.

### **Jurisdiction and Venue**

3. The United States Bankruptcy Court for the District of New Jersey (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Standing Order of Reference to the Bankruptcy Court Under Title 11*, entered July 23, 1984, and amended on September 18, 2012 (Simandle, C.J.). The Debtors confirm their consent to the Court’s entering a final order in connection with this Motion to the extent that it is later determined that the Court,

<sup>2</sup> A detailed description of the Debtors and their businesses, including the facts and circumstances giving rise to the Debtors’ chapter 11 cases, is set forth in the *Declaration of David Tolley, Chief Executive Officer of WeWork Inc., in Support of the Chapter 11 Petitions and First Day Motions* [Docket No. 21] (the “First Day Declaration”). Capitalized terms used but not defined herein shall have the meanings set forth in the First Day Declaration.

absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

4. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

5. The bases for the relief requested herein are sections 327(a) and 328 of title 11 of the United States Code (the “Bankruptcy Code”), rules 2014(a) and 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and rules 2014-1 and 2016-1 of the Local Bankruptcy Rules for the District of New Jersey (the “Local Rules”).

### **Background**

6. The Debtors, together with their non-Debtor affiliates (collectively, “WeWork” or the “Company”), are the global leader in flexible workspace, integrating community, member services, and technology. Founded in 2010 and headquartered in New York City, WeWork’s mission is to create a collaborative work environment where people and companies across a variety of industries, from freelancers to Fortune 100 companies, come together to optimize performance. WeWork became a publicly traded company in 2021 and employs over 2,650 full-time and fifty part-time workers in the United States and abroad. The Company had 650 locations across thirty-seven countries as of November 6, 2023 (the “Petition Date”) and is among the top commercial real estate lessors in business hubs including New York City, London, Dublin, Boston, and Miami. For the fiscal year 2022, WeWork’s revenue was approximately \$3.25 billion. The Debtors commenced these chapter 11 cases to rationalize their lease portfolio, right-size their balance sheet, and position WeWork for sustainable, long-term growth.

7. On the Petition Date, each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the

Bankruptcy Code. On November 8, 2023, the Court entered an order [Docket No. 87] authorizing the procedural consolidation and joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). On November 16, 2023, the United States Trustee for the District of New Jersey (the “U.S. Trustee”) appointed an official committee of unsecured creditors pursuant to section 1102 of the Bankruptcy Code [Docket No. 150] (the “Committee”).

### **Grant Thornton’s Qualifications**

8. Grant Thornton is the U.S. member firm of Grant Thornton International Ltd., a global audit, tax, and advisory organization of separate, independent network firms providing services in 130 countries, including 50 offices in the United States. The professionals in Grant Thornton’s practices consist of audit, tax, accounting, and other professionals specializing in auditing of public and private companies, tax, financial, business, and strategic advice to enterprises, including distressed enterprises. Grant Thornton has significant qualifications, experience, and extensive knowledge in the field of auditing for large, sophisticated companies, both in and out of bankruptcy. Accordingly, the Debtors have determined that Grant Thornton has the resources and experience necessary to perform audit services in these chapter 11 cases.

9. Grant Thornton has provided auditing, tax compliance, and tax advisory services in numerous large cases, including: *In re Voyager Digital Holdings, Inc.*, No. 22-10943 (MEW) (Bankr. S.D.N.Y. 10. The Debtors respectfully request that Grant Thornton's retention be made effective as of March 12, 2024, so that Grant Thornton may be compensated for the services it has provided before this Application is heard by the Court. Grant Thornton has provided services to the Debtors in advance of approval of this Application out of necessity arising from the circumstances of these chapter 11 cases. The Debtors submit that these circumstances are of a nature warranting retroactive approval.

#### **Services to be Provided**<sup>4</sup>

11. As set forth more fully in the Engagement Letter, Grant Thornton has agreed to perform independent audit services for the Debtors in accordance with the terms and conditions set forth therein, as requested by the Debtors and agreed by Grant Thornton. Grant Thornton will perform an audit for the Debtors to express an opinion of the fairness of the presentation of

---

<sup>3</sup> Because of the voluminous nature of the orders cited herein, they are not attached to the Application. Copies of these orders are available on request of the Debtors' counsel.

<sup>4</sup> The summaries of the Engagement Agreement contained in this Application are provided for informational purposes only. In the event of any inconsistency between the summary contained herein and the terms and provisions of the Engagement Agreement, the terms and provisions of the Engagement Agreement, as approved by the Court pursuant to the Order, shall control. Capitalized terms used herein but not otherwise defined shall have the meanings ascribed to them in the Engagement Agreement, as applicable.

WeWork Inc.'s consolidated financial statements as of and for the year ended December 31, 2023, including the related notes (collectively, the "Financial Statements"). Such Financial Statements will be prepared and presented by management in accordance with accounting principles generally accepted in the United States.

12. The independent audit services described above are necessary to the Debtors in the administration of their chapter 11 cases. Subject to this Court's approval of this Application, Grant Thornton is willing to serve as the Debtors' audit services provider to perform the services described above and under the terms of the Engagement Letter.

13. In addition to the foregoing, Grant Thornton, at the request of the Debtors, may provide additional services deemed appropriate and necessary to benefit the Debtors' estates. Should Grant Thornton agree in its discretion to undertake any such matter, Grant Thornton and the Debtors may enter into additional agreements for such additional services. Unless required by the Court, the Debtors and Grant Thornton do not intend to seek entry of separate retention orders with regard to any additional agreements. Instead, out of concern for efficiency, if the Debtors and Grant Thornton enter into any additional agreements for additional services beyond those in this Application, the Debtors will file appropriate notices of such additional agreements with the Court in the form of supplemental declarations or affidavits and will serve them on the applicable notice parties. Absent any objections filed within ten (10) days after the filing and service of such supplemental declarations or affidavits, Grant Thornton's employment shall continue as authorized pursuant to the proposed Order.

#### **Efforts to Avoid Duplication of Services**

14. The Debtors intend that the services of Grant Thornton will not duplicate the services rendered by any other professional retained in these chapter 11 cases. Grant Thornton

understands that the Debtors have retained and may retain additional professionals during the term of the engagement and, to the extent necessary, agree to work cooperatively with such professionals to integrate any respective work conducted by the professionals on behalf of the Debtors.

**Professional Compensation**

15. Pursuant to section 328(a) of the Bankruptcy Code, the Debtors request that the Court approve the retention of Grant Thornton at the rates expressed in the Engagement Letter, based on an agreed proposal rate, as set forth below.<sup>5</sup> The Debtors have agreed to compensate Grant Thornton pursuant to the rates agreed upon in the Engagement Letter. Grant Thornton estimated its billings for the independent audit services will range from \$2,250,000 to \$2,750,000.

16. Grant Thornton's fees as negotiated with the Debtors for Services rendered in the United States are as follows:<sup>6</sup>

<b>Billing Date</b>	<b>Fees</b>
Upon execution	\$250,000
April 15, 2024	\$750,000
May 15, 2024	\$500,000
June 15, 2024	\$500,000
Issuance	\$225,000 - \$750,000

---

<sup>5</sup> The following summary of the fee structure is provided solely for the convenience of the Court and parties in interest. To the extent there are any discrepancies between the summary provided herein and the Engagement Letter, the terms and conditions of the Engagement Letter shall govern in all respects.

<sup>6</sup> If in connection with any subsequent agreements, Grant Thornton is retained to perform additional services at different rates, such rates will be disclosed in connection with the relevant agreements.

17. As set forth in the Engagement Letter, Grant Thornton will also bill for its expenses incurred in connection with the independent audit services. From time to time, Grant Thornton may receive certain incentives in the form of bonuses and rewards from its corporate card and other vendors. Such incentives to the extent received will be retained by Grant Thornton to cover firm expenses.

18. Grant Thornton intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with these chapter 11 cases, subject to the Court's approval and in compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the *U.S. Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330* (the "U.S. Trustee Guidelines"), and any other applicable procedures and orders of the Court. To that end, Grant Thornton intends to submit requests for compensation in accordance with the *Administrative Fee Order Establishing Procedures for the Allowance and Payment of Interim Compensation and Reimbursement of Expenses of Professionals Retained by Order of this Court* [Docket No. 340] (the "Administrative Fee Order").

19. As of March 12, 2024, Grant Thornton did not have a retainer. According to Grant Thornton's books and records, during the 90-day period prior to March 12, 2024, Grant Thornton did not receive any payments from the Debtors for professional services performed and expenses incurred. The Debtors do not owe Grant Thornton fees for prepetition services, the payment of which is subject to limitations contained in the Bankruptcy Code. Grant Thornton has agreed to waive all prepetition amounts owed, if any, to it by the Debtors in connection with the granting of the Application.

20. The Debtors believe that the compensation structure described above and set forth in the Engagement Letter is comparable to compensation generally charged by auditors of similar stature to Grant Thornton for comparable engagements, both in and out of bankruptcy. The compensation structure is also consistent with Grant Thornton's normal and customary billing practices for cases of comparable size and complexity that require the level and scope of services to be provided in these chapter 11 cases.

**Grant Thornton's Disinterestedness**

21. In connection with the proposed retention by the Debtors in these chapter 11 cases, Grant Thornton received and reviewed a list of parties in interest from the Debtors (the "Parties in Interest") and ran a conflict check on the individuals and entities on the Parties in Interest list attached to the Fox Declaration as Schedule 1. The results of that search are attached to the Fox Declaration as Schedule 2.

22. Grant Thornton has reviewed its internal electronic databases and, to the best of the Debtors' knowledge and except to the extent disclosed herein and in the Fox Declaration, Grant Thornton: (a) is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code; (b) does not hold or represent an interest adverse to the Debtors' estates; and (c) has no connection to the Debtors, their creditors, or their related parties. To the extent that Grant Thornton discovers any new relevant facts or relationships bearing on the matters described herein during the period of Grant Thornton's retention, Grant Thornton will use reasonable efforts to promptly file a supplemental declaration, as required by Bankruptcy Rule 2014(a).

**Basis for Relief**

23. Section 327(a) of the Bankruptcy Code provides that a debtor subject to court approval:

[M]ay employ one or more attorneys, accountants, appraisers, auctioneers, or other professional persons, that do not hold or represent an interest adverse to the estate, and that are disinterested persons, to represent or assist the [debtor] in carrying out the [debtor]'s duties under this title.

11 U.S.C. § 327(a).

24. Moreover, Bankruptcy Rule 2014(a) requires that an application for retention include:

[S]pecific facts showing the necessity for the employment, the name of the [firm] to be employed, the reasons for the selection, the professional services to be rendered, any proposed arrangement for compensation, and, to the best of the applicant's knowledge, all of the [firm's] connections with the debtor, creditors, any other party in interest, their respective attorneys and accountants, the United States trustee, or any person employed in the office of the United States trustee.

Fed. R. Bankr. P. 2014(a).

25. The terms and conditions of the Engagement Letter were negotiated by the Debtors and Grant Thornton at arm's length and in good faith. The Debtors and Grant Thornton respectfully submit that the terms of Grant Thornton's retention are customary and reasonable for tax and audit engagements, both out of court and in comparable chapter 11 cases, and in the best interests of the Debtors' estates, creditors, and all Parties in Interest.

**Retroactive Relief is Warranted**

26. The Debtors also believe that employment of Grant Thornton effective as of March 12, 2024 is warranted by the circumstances presented by these chapter 11 cases. The Third Circuit has identified "time pressure to begin service" and absence of prejudice as factors

favoring retroactive retention. *See In re Ark. Co.*, 798 F.2d 645, 648 (3d Cir. 1986) (collecting cases) (“[T]he bankruptcy courts have the power to authorize retroactive employment of counsel and other professionals under their broad equity power.”).

27. The complexity, compressed timing, and intense activity relating to these chapter 11 cases necessitated that the Debtors and Grant Thornton, as well as the Debtors’ other professionals, focus their immediate attention on time-sensitive matters. Grant Thornton worked diligently to complete its thorough conflict review process in support of this Application and promptly took all necessary actions to prepare and file this Application.

28. To the best of the Debtors’ knowledge, approval of this Application will not prejudice any parties in interest because, among other things, the services provided by Grant Thornton will assist the Debtors in their restructuring efforts, as well as their compliance with their auditing requirements, which are necessary and in the best interest of the Debtors’ estates, their creditor constituencies, and other parties in interest.

#### **Request of Waiver of Stay**

29. To the extent that the relief sought in the Application constitutes a use of property under section 363(b) of the Bankruptcy Code, the Debtors seek a waiver of the fourteen-day stay under Bankruptcy Rule 6004(h). As explained herein, the relief requested in this Application is immediately necessary for the Debtors to be able to continue to operate their businesses and preserve the value of their estates.

#### **No Prior Request**

30. No prior request for the relief sought in this Application has been made to this Court or any other court.

**Notice**

31. The Debtors will provide notice of this Application to the following parties or their respective counsel: (a) the U.S. Trustee for the District of New Jersey; (b) the Committee; (c) Davis Polk & Wardwell LLP and Greenberg Traurig, LLP, as counsel to the Ad Hoc Group; (d) Weil, Gotshal & Manges LLP and Wollmuth Maher & Deutsch LLP, as counsel to SoftBank; (e) Cooley LLP, as counsel to Cupar Grimmond, LLC; (f) the agents under each of the Debtors' prepetition secured credit facilities and counsel thereto; (g) the office of the attorney general for each of the states in which the Debtors operate; (h) the United States Attorney's Office for the District of New Jersey; (i) the Securities and Exchange Commission; (j) the Internal Revenue Service; (k) the monitor in the CCAA proceeding and counsel thereto; and (l) any party that has requested notice pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, no other or further notice need be given.

*[Remainder of page intentionally left blank.]*

**WHEREFORE**, the Debtors request that the Court enter an order, in substantially the form submitted herewith, granting the relief requested herein and such other relief as is just and proper under the circumstances.

New York, NY 10017

Dear Elizabeth:

Thank you for discussing with us the requirements of our forthcoming engagement. This letter (the "Letter") and Attachments A through C (collectively, the "Agreement") document our mutual understanding of the arrangements for the services described herein.

## Appointment by the audit committee

The audit committee is responsible for the appointment, compensation, and oversight of our work. Accordingly, the audit committee should pre-approve the services under the Agreement. In addition, it is important for the audit committee to communicate to us matters they believe are relevant to our engagement.

We are required to be independent to perform the attest services discussed below. So as not to impair our independence, management may not use our work as a basis for their assessment of the effectiveness of their controls.

## Scope of services

### Audit services

Grant Thornton LLP ("Grant Thornton") will audit the consolidated financial statements of WeWork Inc. (the "Client"), as of and for the year ended December 31, 2023, including the related notes (hereinafter collectively referred to as the "financial statements"). Such financial statements will be prepared and presented by management in accordance with accounting principles generally accepted in the United States of America (the "applicable financial reporting framework").

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America ("US GAAS") established by the American Institute of Certified Public Accountants ("AICPA"). As part of an audit in accordance with US GAAS, we will exercise professional judgment and maintain professional skepticism throughout the audit. We will also identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall financial statement presentation, including disclosures, and whether the financial statements represent the underlying transactions and events in a manner

that achieves fair presentation. We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Client's ability to continue as a going concern for a reasonable period of time.

In assessing the risks of material misstatement, an auditor obtains an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. An audit is not designed to identify control deficiencies or for the purpose of expressing an opinion on the effectiveness of internal control; accordingly, we will not express such an opinion. However, we are responsible for communicating to the Audit Committee (hereinafter referred to as "those charged with governance") significant deficiencies and material weaknesses in internal control that come to our attention during the course of our engagement.

When conducting an audit, the auditor is required to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to error or fraud, to enable the auditor to express an opinion on whether the financial statements are presented fairly, in all material respects, in accordance with the applicable financial reporting framework. Although not absolute assurance, reasonable assurance is, nevertheless, a high level of assurance. However, an audit is not a guarantee of the accuracy of the financial statements. Even though the audit is properly planned and performed in accordance with professional standards, an unavoidable risk exists that some material misstatements may not be detected due to the inherent limitations of an audit, together with the inherent limitations of internal control. Also, an audit is not designed to detect errors or fraud that is immaterial to the financial statements. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Upon the completion of our audit and subject to our findings, we will render our report and communicate our findings in accordance with US GAAS. However, it is possible that circumstances may arise in which our report may differ from its expected form and content, resulting in a modified report or disclaimer of opinion. Further, if in our professional judgment the circumstances necessitate, we may resign from the engagement prior to completion.

Our audit does not relieve management or those charged with governance of their responsibilities.

### Communication of key audit matters

Key audit matters (KAMs) are defined as those matters that, in the auditor's professional judgment, were of most significance in the audit of the financial statements of the current period. US GAAS does not require the auditor to communicate KAMs, and we have not been engaged to communicate KAMs. Thus, our auditor's report will not include KAMs.

### Responsibilities of those charged with governance

Effective two-way communication with those charged with governance assists us in obtaining information relevant to the audit and also assists those charged with governance in fulfilling their responsibility to oversee the financial reporting process.

Those charged with governance play an important role in the Client's internal control over financial reporting by setting a positive tone at the top and challenging the Client's activities in the financial arena. Accordingly, it is important for those charged with governance to communicate to us matters they believe are relevant to our engagement. As indicated below, management also has a responsibility to communicate certain matters to those charged with governance and to Grant Thornton.

In connection with our engagement, professional standards require us to communicate certain matters that come to our attention to those charged with governance, such as the following:

- fraud involving senior management and fraud that causes a material misstatement
- illegal acts, unless clearly inconsequential
- disagreements with management and other serious difficulties encountered
- qualitative aspects of significant accounting practices, including accounting policies, estimates, and disclosures
- uncorrected and corrected misstatements related to accounts and disclosures, including missing disclosures.

### Management responsibilities

As you are aware, the financial statements are the responsibility of management. Management is responsible for preparing and fairly presenting the financial statements in accordance with the applicable financial reporting framework, which includes adopting sound accounting practices and complying with changes in accounting principles and related guidance. Management is also responsible for:

- providing us with access to all information of which they are aware that is relevant to the preparation and fair presentation of the financial statements, whether obtained from within or outside of the general and subsidiary ledgers; this includes all financial records, documentation of internal control and related information, and any additional information that we may request for audit purposes
- providing us with unrestricted access to persons within the Client from whom we determine it necessary to obtain audit evidence
- providing us with an updated list of entities that comprise the consolidated financial statements prior to the issuance of our auditor's report
- ensuring that the Client identifies and complies with all laws, regulations, contracts, and grant agreements applicable to its activities and for informing us of any known violations
- designing, implementing, and maintaining effective internal control to enable the preparation and fair presentation of financial statements that are free of material misstatement, whether due to error or fraud, and for informing us of

WeWork Inc.

all known significant deficiencies and material weaknesses in, and significant changes in, such internal control

- informing us of their views about the risk of fraud within the Client and their awareness of any known or suspected fraud and the related corrective action proposed
- adjusting the financial statements to correct material misstatements and for affirming to us in a representation letter that the effects of any uncorrected misstatements, including missing disclosures, aggregated by us during the current engagement, including those pertaining to the latest period presented, are immaterial, both individually and in the aggregate, to the financial statements as a whole
- informing us of any events occurring subsequent to the date of the financial statements through the date of our auditor's report that may affect the financial statements or the related disclosures
- informing us of any subsequent discovery of facts that may have existed at the date of our auditor's report that may have affected the financial statements or the related disclosures.

To assist those charged with governance in fulfilling their responsibility to oversee the financial reporting process, management should discuss with those charged with governance the:

- adequacy of internal control and the identification of any significant deficiencies or material weaknesses, including the related corrective action proposed
- significant accounting policies, alternative treatments, and the reasons for the initial selection of, or change in, significant accounting policies
- process used by management in formulating particularly sensitive accounting judgments and estimates and whether the possibility exists that future events affecting these estimates may differ markedly from current judgments
- basis used by management in determining that uncorrected misstatements, including missing disclosures, are immaterial, both individually and in the aggregate, including whether any of these uncorrected misstatements could potentially cause future financial statements to be materially misstated.

We will require management's cooperation to complete our services. In addition, we will obtain, in accordance with professional standards, certain written representations from management, which we will rely upon.

### Shared responsibilities for auditor independence

Auditor independence is a shared responsibility of the auditor, those charged with governance, and management. The process of evaluating and maintaining independence works most effectively when Grant Thornton, those charged with governance, and Client management work together to evaluate auditor compliance with the applicable independence rules. This includes working together to (1) identify

WeWork Inc.

and monitor potential affiliates, as defined by the applicable independence rules; (2) evaluate relevant quantitative and qualitative information about potential affiliates, and, if applicable, assess materiality regarding such potential affiliates; and (3) consider whether any services provided by Grant Thornton or Grant Thornton International Ltd ("GTIL") member firms may impair our independence in fact or appearance.

In this regard, it is important for Client management to timely notify Grant Thornton of changes in circumstances that may affect the population of potential affiliates (for example, notifying Grant Thornton of potential mergers or acquisitions or other ownership-related changes in affiliates prior to the consummation of such transactions). Such notification enables timely completion of our independence and conflict checks and, if applicable, materiality assessments. Failure to provide such timely notification could lead to a matter potentially bearing on Grant Thornton's independence (for example, if Grant Thornton or GTIL member firms have a relationship with a new affiliate or there is a change in the materiality assessment that is not compatible under the applicable independence rules).

### Use of our report(s)

The inclusion, publication, or reproduction by the Client of any of our report(s) in documents other than annual reports, such as bond offerings and regulatory filings containing information in addition to financial statements may require us to perform additional procedures to fulfill our professional or legal responsibilities. Accordingly, our report(s) should not be used for any such purposes without our prior permission. To avoid unnecessary delay or misunderstanding, it is important that the Client give us timely notice of its intention to issue any such document.

### Other services

Any other services that you request will constitute a separate engagement that will be subject to our acceptance procedures.

## Fees

### Billings

Our billings for the services set forth in this Agreement, which we have estimated will range from \$2,250,000 to \$2,750,000, will be rendered in accordance with the enclosed Schedule of Billings and are payable as soon as practicable, but no later than thirty (30) days, or as otherwise required by court order, following receipt of a reasonably detailed invoice for such services; provided, however, that Client shall have no obligation to pay any fees in respect of unrendered services in the event that Grant Thornton terminates this engagement prior to delivering the report contemplated by this Agreement. In addition, we will bill for our expenses.

If it appears that the estimated fee will be exceeded, we will bring this to your attention. In addition, as the U.S. economy is experiencing a period of high inflation, it is possible that we will have unforeseen increases to our cost of service delivery, the impact of which will be discussed with you.

WeWork Inc.

From time to time, Grant Thornton may receive certain incentives in the form of bonuses and rewards from its corporate card and other vendors. Such incentives to the extent received will be retained by Grant Thornton to cover firm expenses.

### Additional billings

Of course, circumstances may arise that will require us to do more work. Some of the more common circumstances include changing auditing, accounting, and reporting requirements from professional and regulatory bodies; incorrect accounting applications or errors in Client records; restatements; failure to furnish accurate and complete information to us on a timely basis; and unforeseen events, including legal and regulatory changes. We are enclosing an explanation of various matters that can cause us to perform work in excess of that contemplated by our fee estimate.

At Grant Thornton, we pride ourselves on our ability to provide outstanding service and meet our clients' deadlines. To help accomplish this goal, we work hard to have the right professionals available. This involves complex scheduling models to balance the needs of our clients and the utilization of our people, particularly during peak periods of the year. Last minute client requested scheduling changes result in costly downtime due to our inability to make alternate arrangements for our professional staff.

We will coordinate a convenient time for Grant Thornton to begin work. If, after scheduling our work, you do not provide proper notice, which we consider to be one week, of your inability to meet the agreed-upon date(s) for any reason, or do not provide us with sufficient information required to complete the work in a timely manner, additional billings will be rendered for any downtime of our professional staff.

### Adoption of new accounting standards

Professional and regulatory bodies frequently issue new accounting standards and guidance. Sometimes, standards are issued and become effective in the same period, providing a limited implementation phase and preventing us from including the impact in our estimated fees. In such circumstances, we will discuss with you the additional audit procedures and related fees, including matters such as the retrospective application of accounting changes and changes in classification.

### Authorization

This Agreement sets forth the entire understanding between the Client and Grant Thornton regarding the services described herein and supersedes any previous proposals, correspondence, and understandings, whether written or oral. If any portion of this Agreement is held invalid, it is agreed that such invalidity shall not affect any of the remaining portions.

Please confirm your acceptance of this Agreement by signing below and returning a copy to us. The Agreement may be executed via electronic signature, which the parties agree is the legal equivalent of a manual signature.

Sincerely,

GRANT THORNTON LLP

## Attachment A – Additional terms

It is understood and agreed that the terms and conditions in this Attachment A refer to the Grant Thornton Letter to which it is attached. The Client's representative(s), by signing the Letter, represents that they have the authority to bind the Client to the terms of the Agreement and agree to all of the terms and conditions in this Attachment A. In the event that there is a conflict between this Attachment A and the Letter (or any other attachments to the Letter), the terms of this Attachment A shall control. Any capitalized terms in this Attachment A that are not defined shall have the meanings set forth in the Letter.

### Confidentiality and privacy

In performing our services under this Agreement, Grant Thornton will review and have access to confidential information about the Client. Such information will be held in confidence and will not be provided to any person or entity outside of Grant Thornton without the Client's consent, unless such disclosure is required under applicable law, rule, or regulation, is permitted by this Agreement, or is permitted under the Confidential Client Information Rule and related rules and interpretations of the AICPA Code of Professional Conduct.

Grant Thornton is committed to protecting personal information and will maintain such information in confidence in accordance with professional standards and governing laws. The Client will not provide any personal information to Grant Thornton unless necessary to perform the services described herein. When providing any personal information to us, the Client will comply with all applicable laws (both foreign and domestic) and will anonymize, mask, obfuscate, and/or de-identify, if reasonably possible, all personal information that is not necessary to perform the services described herein. Any personal information provided to us by the Client will be kept confidential and not disclosed to any third party unless expressly permitted by the Client or required by law, regulation, legal process, or professional standards. The Client is responsible for obtaining, pursuant to law or regulation, consents from parties that provided the Client with their personal information, which will be obtained, used, and disclosed by Grant Thornton for its required purposes.

### Electronic communications

During the course of our engagement, we may need to electronically transmit confidential information to each other and to third-party service providers or other entities engaged by either Grant Thornton or the Client. Electronic methods include telephones, cell phones, e-mail, secure file transfers, use of collaboration sites, and fax. These technologies provide a fast and convenient way to communicate. However, all forms of electronic communication have inherent security weaknesses, and the risk of compromised confidentiality cannot be eliminated. The Client agrees to the use of electronic methods to transmit and receive information, including confidential information.

### Relationship to Grant Thornton International Ltd

Grant Thornton is the U.S. member firm of Grant Thornton International Ltd ("GTIL"), an organization of independently owned and managed accounting and consulting firms. References to GTIL are to Grant Thornton International Ltd. GTIL and the member firms are not a worldwide partnership. Services are delivered independently by the member firms. These firms are not members of one international partnership or otherwise legal partners with each other internationally, nor is any one firm responsible for the services or activities of any other firm.

### Use of third-party service providers and affiliates

Grant Thornton may use third-party service providers, such as independent contractors, specialists, or vendors, to assist in providing our professional services. We may also use GTIL member firms, other affiliates (including the GT US Shared Services Center India Private Limited and the Grant Thornton US Knowledge and Capability Center India Private Limited, affiliates of Grant Thornton located in Bangalore, India), or other accounting firms. Such entities may be located within or outside the United States.

Grant Thornton intends to use the professional services, technology, and resources of the following entity(ies) to assist us in the performance of the engagement:

- Capital Confirmation, Inc. – electronic confirmation services

Additionally, Grant Thornton may use third-party service providers to provide administrative or operational support to Grant Thornton, or to provide engagement team resources to assist with our professional services. Such entities may be located within or outside the United States. All of these third-party service providers are subject to confidentiality obligations to protect the confidentiality of client data.

You hereby consent and authorize us to disclose Client information to the GT US Shared Services Center India Private Limited and/or the Grant Thornton US Knowledge and Capability Center India Private Limited and to the other above referenced entities for purposes of providing services to you as part of our professional relationship.

### Access to documentation by other auditors

When an entity is part of a group of entities and/or more than one auditor is involved in performing an audit, a professional responsibility exists under relevant ethical requirements for the auditors to cooperate with each other. In connection with such cooperation, we may have discussions with the other auditors or provide access to our workpapers. In the course of this cooperation, we will comply with relevant ethical and professional standards, including with respect to protecting the confidentiality of client information. The other auditors are also subject to obligations to protect the confidentiality of client information. With this understanding, the Client hereby authorizes us to allow access to our workpapers and to respond fully to the other auditors' reasonable inquiries in accordance with relevant ethical and professional standards. The Client is aware that our workpapers may contain information privileged under Internal Revenue Code §7525 and that the Client's consent to provide access to other auditors may operate as a waiver of that privilege.

### Data analytics and automated data gathering

Grant Thornton is committed to enhancing our services and improving quality through technology. Accordingly, we may use Client data to provide you with services in connection with other engagements, and to present you with additional service offerings. We may also anonymize Client data and aggregate such data with anonymized data of our other clients for purposes of performing analytics and enhancing our services for, and providing insights to, you and/or our other clients. Grant Thornton will not disclose non-anonymized Client data to third parties without the Client's prior consent, except as otherwise agreed to herein.

Grant Thornton also uses automated data gathering tools to efficiently extract large data sets needed to perform our services. These automated data gathering tools are designed to be executed by the Client's information technology professionals within the Client's information systems environment.

### Other costs

Except with respect to a dispute or litigation between Grant Thornton and the Client, our costs (including reasonable attorneys' fees) and time spent in legal and regulatory matters or proceedings arising from our engagement, such as subpoenas, testimony, or consultation involving private litigation, arbitration, industry, or government regulatory inquiries, whether made at the Client's request or by subpoena, will be billed to the Client separately and will be discussed with the Client in advance to incurring such costs.

Professional standards impose additional responsibilities regarding the reporting of illegal acts that have or may have occurred. To fulfill our responsibilities, we may need to consult with Client counsel or counsel of our choosing about any illegal acts that we become aware of. Additional fees, including reasonable attorneys' fees, will be billed to the Client. The Client agrees to ensure full cooperation with any procedures that we may deem necessary to perform.

## Right to terminate services for nonpayment

In the event of nonpayment, we retain the right to (a) suspend the performance of our services, (b) change the payment conditions under this Agreement, or (c) terminate our services. If we elect to suspend our services, such services will not be resumed until your account is paid as agreed. Alternatively, if we elect to terminate our services for nonpayment, the Client will be obligated to compensate us for all time expended and to reimburse us for all expenses through the date of termination.

## Hiring of personnel

The Client acknowledges that hiring current or former Grant Thornton (or GTIL member firm) personnel participating in the engagement may be perceived as compromising our objectivity, and depending on the applicable professional standards, impairing our independence in certain circumstances, for example, when certain engagement team members, such as partners, managing directors, or senior managers, join the Client in a financial reporting oversight role during a required "cooling-off period." Accordingly, prior to entering into any employment discussions with such known individuals, you agree to discuss the potential employment, including any applicable independence ramifications, with the engagement partner responsible for the services.

In addition, during the term of this Agreement and for a period of one (1) year after the services are completed, we both agree not to solicit, directly or indirectly, or hire the other's personnel participating in the engagement without express written consent. If this provision is violated, the violating party will pay the other party a fee equal to the hired person's annual salary in effect at the time of the violation to reimburse the estimated costs of hiring and training replacement personnel, unless the individual is hired in response to a general advertisement made available to the public.

## Standards of performance

We will perform our services in conformity with the terms expressly set forth in this Agreement, including all applicable professional standards. Accordingly, our services shall be evaluated solely on our substantial conformance with such terms and standards. Any claim of nonconformance must be clearly and convincingly shown.

With respect to the services and this Agreement, in no event shall the liability of Grant Thornton and its present, future, and former partners, principals, directors, employees, agents, and contractors for any claim, including but not limited to Grant Thornton's own negligence, exceed the fees it receives for the portion of the work giving rise to such liability. This limitation shall not apply to the extent that it is finally determined that any claims, losses, or damages are the result of Grant Thornton's gross negligence or willful misconduct. In addition, Grant Thornton shall not be liable for any special, consequential, incidental, or exemplary damages or loss (nor any lost profits, interest, taxes, penalties, loss of savings, or lost business opportunity) even if Grant Thornton was advised in advance of such potential damages. This paragraph and the paragraph directly below shall apply to any type of claim asserted, including contract, statute, tort, or strict liability, whether by the Client, Grant Thornton, or others.

Further, the Client shall, upon receipt of written notice, indemnify and hold harmless Grant Thornton and its present, future, and former partners, principals, directors, employees, agents, and contractors from and against any liability and damages (including punitive damages), fees, expenses, losses, demands, and costs (including defense costs) associated with any claim arising from or relating to the Client's knowing misrepresentations or false or incomplete information provided to Grant Thornton. In the event of any controversy or claim against Grant Thornton arising from or related to the services described herein, Grant Thornton shall be entitled to defend itself from such controversy or claim and to participate in any settlement, administrative, or judicial proceedings.

It is expressly agreed by the Client and Grant Thornton that any claim by, or on behalf of either party, arising out of services or this Agreement, whether it be in contract, tort, or otherwise, shall be deemed waived if a claim is filed more than two (2) years from: (i) the date of the report(s) issued by Grant Thornton; or (ii) the date of this Agreement if no report has been issued. If because of a change in the Client's status or due to any other reason, any provision in this Agreement would be prohibited by laws, regulations, or published interpretations by governmental bodies, commissions, state boards of

accountancy, or other regulatory agencies, such provision shall, to that extent, be of no further force and effect, and the Agreement shall consist of the remaining portions.

## Dispute resolution

Any controversy or claim arising out of or relating to the services, related fees, or this Agreement shall first be submitted to mediation. A mediator will be selected by agreement of the parties, or if the parties cannot agree, a mediator acceptable to all parties will be appointed by the American Arbitration Association ("AAA"). The mediation will proceed in accordance with the customary practice of mediation. In the unlikely event that any dispute or claim cannot be resolved by mediation, we both recognize that the matter will probably involve complex business or accounting issues that would be decided most equitably to us both by a judge hearing the evidence without a jury. Accordingly, to the extent now or hereafter permitted by applicable law, the Client and Grant Thornton agree to waive any right to a trial by jury in any action, proceeding, or counterclaim arising out of or relating to our services or this Agreement.

If the above jury trial waiver is determined to be prohibited by applicable law, then the parties agree that the dispute or claim shall be settled by binding arbitration. The arbitration proceeding shall take place in the city in which the Grant Thornton office providing the relevant services is located, unless the parties mutually agree to a different location. The proceeding shall be governed by the provisions of the Federal Arbitration Act ("FAA") and will proceed in accordance with the then current Arbitration Rules for Professional Accounting and Related Disputes of the AAA, except that pre-hearing discovery must be specifically authorized by the arbitrator. The arbitrator will be selected from AAA, JAMS, the Center for Public Resources, or any other internationally or nationally-recognized organization mutually agreed upon by the parties. Potential arbitrator names will be exchanged within 15 days of the parties' agreement to settle the dispute or claim by binding arbitration, and arbitration will thereafter proceed expeditiously. The arbitration will be conducted before a single arbitrator, experienced in accounting and auditing matters. The arbitrator shall have no authority to award non-monetary or equitable relief and will not have the right to award punitive damages. The award of the arbitration shall be in writing and shall be accompanied by a well-reasoned opinion. The award issued by the arbitrator may be confirmed in a judgment by any federal or state court of competent jurisdiction. Each party shall be responsible for their own costs associated with the arbitration, except that the costs of the arbitrator shall be equally divided by the parties. The arbitration proceeding and all information disclosed during the arbitration shall be maintained as confidential, except as may be required for disclosure to professional or regulatory bodies or in a related confidential arbitration. In no event shall a demand for arbitration be made after the date when institution of legal or equitable proceedings based on such claim would be barred under the applicable statute of limitations.

This Agreement, including its formation and the parties' respective rights and duties, and all disputes that might arise from or in connection with the Agreement or the services contemplated herein, shall be governed by and construed in accordance with the laws of the State of New York, without regard to its conflict of laws provisions.

## Force majeure

Neither party shall be liable for any delay or failure in performance (except for payment obligations) due to any strikes, work stoppages, accidents, acts of war or terrorism, governmental actions, civil or military disturbances, pandemics, epidemics, contagious diseases, nuclear or natural catastrophes or acts of god, or other circumstances beyond its reasonable control.

## Documentation

The documentation for this engagement is the property of Grant Thornton and constitutes confidential information. We have a responsibility to retain the documentation for a period of time sufficient to satisfy any applicable legal or regulatory requirements for records retention.

Pursuant to law or regulation, we may be requested to make certain documentation available to regulators, governmental agencies, or their representatives ("Regulators"). If requested, access to the documentation will be provided to the Regulators under our supervision. We may also provide copies of selected documentation, which the Regulators may

distribute to other governmental agencies or third parties. You hereby acknowledge we will allow and authorize us to allow the Regulators access to, and copies of, the documentation in this manner.

## Attachment C – Matters that can cause work in excess of fee estimate

We want you to receive the maximum value for our professional services and to perceive that our fees are reasonable and fair. However, in seeking to provide you with such value, we find there are various matters that can cause us to perform work in excess of that contemplated by our fee estimate. The following explains the matters that arise most frequently.

### Changing requirements

Today, there are numerous governmental or rule-making bodies that regularly add or change various requirements. Although we attempt to plan our work to anticipate the requirements that will affect our engagement, three types of situations make this difficult. Sometimes, these new requirements are not communicated in time for us to anticipate their effects in our preliminary planning. Secondly, in spite of our anticipation and planning, the work necessary to comply with new requirements may be underestimated. Finally, in some instances, you may decide that it is advantageous to you to have the new requirements applied immediately.

### Incorrect accounting applications or errors in your records

We generally form our fee estimates on the expectation that your accounting records are in good order so that our work can be completed based upon our normal testing and other procedures. However, should we find numerous errors, incomplete records, or disorganized bookkeeping methods, we will have to do additional work to determine that the necessary corrections have been made and properly reflected in the financial statements.

### Lack of engagement facilitation or timely preparation

To minimize your costs, we plan the means by which your personnel can facilitate the engagement (for example, what schedules they will prepare, how to prepare them, the supporting documents that need to be provided, and so forth). We also discuss matters such as availability of your key personnel, deadlines, and working conditions. Indeed, the information concerning these matters that you furnish to us is a key element in our fee quotation. Therefore, if your personnel are unable, for whatever reasons, to provide these materials on a timely basis, it may substantially increase the work we must do to complete the engagement within the established deadlines. Moreover, in some circumstances, this may require a staff withdrawal, as discussed below.

### Insufficient or untimely communication of independence matters

The process of monitoring auditor independence is most effective when Grant Thornton, those charged with governance, and Client management work together. If Client management does not notify us in a timely manner of changes in circumstances that may affect the population of potential affiliates, we may be unable to appropriately complete our independence and conflict checks and materiality assessments. This could lead to additional time spent addressing matters potentially bearing on our firm's independence and evaluating other independence-related ramifications that could exist, depending on the facts and circumstances of the matter.

### Staff withdrawal

A staff withdrawal consists of our removing one or all staff because the condition of your records, or the inability of your personnel to provide agreed upon materials within the established timetable, makes it impossible for us to perform our work in a timely, efficient manner, as established by our engagement plan. Sometimes, a complete staff withdrawal is necessary to permit an orderly engagement approach. A staff withdrawal is not necessarily an adverse reflection on your personnel. However, it involves additional costs, as we must reschedule our personnel, incur additional start-up costs, and so forth, to prevent total engagement costs from increasing significantly.

WeWork Inc.

## Unforeseen events

Even though we communicate frequently with clients and plan our engagement with management and their staff, unforeseen events can occur. Examples include accounting problems, litigation, changes in your business or business environment, contractual or other difficulties with suppliers, third-party service providers, or customers, and so forth. When those circumstances occur, additional time is needed to provide you with assistance and to complete our engagement in accordance with professional standards.

Again, we emphasize that we strive to give you optimum value for our professional services. Fee quotations are provided based upon the facts and circumstances that you describe to us. However, unlike the sale of products, the performance of professional services is affected by many variables, such as the foregoing, which may cause fee estimates to change.

<sup>3</sup> Because of the voluminous nature of the orders cited herein, they are not attached to the Application. Copies of these orders are available on request of the Debtors' counsel.

services to the Debtors in advance of approval of this Application out of necessity arising from the circumstances of these chapter 11 cases. The Debtors submit that these circumstances are of a nature warranting retroactive approval.

### **Services to be Provided**

6. As set forth more fully in the Engagement Letter, Grant Thornton has agreed to perform independent audit services for the Debtors in accordance with the terms and conditions set forth therein, as requested by the Debtors and agreed by Grant Thornton. Grant Thornton will perform an audit for the Debtors to express an opinion of the fairness of the presentation of WeWork Inc.'s consolidated financial statements as of and for the year ended December 31, 2023, including the related notes (collectively, the "Financial Statements"). Such Financial Statements will be prepared and presented by management in accordance with accounting principles generally accepted in the United States.<sup>4</sup>

7. The independent audit services described above are necessary to the Debtors in the administration of their chapter 11 cases. Subject to this Court's approval of this Application, Grant Thornton is willing to serve as the Debtors' audit services provider to perform the services described above and under the terms of the Engagement Letter.

8. In addition to the foregoing, Grant Thornton, at the request of the Debtors, may provide additional services deemed appropriate and necessary to benefit the Debtors' estates. Should Grant Thornton agree in its discretion to undertake any such matter, Grant Thornton and the Debtors may enter into additional agreements for such additional services. Unless required

---

<sup>4</sup> Further detail on the specific services to be provided by Grant Thornton is outlined in the Engagement Letter. To the extent that there are any discrepancies between the summary provided herein and the Engagement Letter, the terms and conditions of the Engagement Letter shall govern in all respects.

by the Court, the Debtors and Grant Thornton do not intend to seek entry of separate retention orders with regard to any additional agreements. Instead, out of concern for efficiency, if the Debtors and Grant Thornton enter into any additional agreements for additional services beyond those in the Application, the Debtors will file appropriate notices of such additional agreements with the Court in the form of supplemental declarations or affidavits and will serve them on the applicable notice parties. Absent any objections filed within ten (10) days after the filing and service of such supplemental declarations or affidavits, Grant Thornton's employment shall continue as authorized pursuant to the proposed Order.

#### **Efforts to Avoid Duplication of Services**

9. The Debtors intend that the services of Grant Thornton will not duplicate the services rendered by any other professional retained in these chapter 11 cases. Grant Thornton understands that the Debtors have retained and may retain additional professionals during the term of the engagement and, to the extent necessary, agree to work cooperatively with such professionals to integrate any respective work conducted by the professionals on behalf of the Debtors.

#### **Professional Compensation<sup>5</sup>**

10. The Debtors have agreed to compensate Grant Thornton pursuant to the rates agreed upon in the Engagement Letter.

---

<sup>5</sup> The following summary of the fee structure is provided solely for the convenience of the Court and parties in interest. To the extent there are any discrepancies between the summary provided herein and the Engagement Letter, the terms and conditions of the Engagement Letter shall govern in all respects.

11. Grant Thornton's fees as negotiated with the Debtors for Services rendered in the United States are as follows:<sup>6</sup>

<b>Billing Date</b>	<b>Fees</b>
Upon execution	\$250,000
April 15, 2024	\$750,000
May 15, 2024	\$500,000
June 15, 2024	\$500,000
Issuance	\$225,000 - \$750,000

12. As set forth in the Engagement Letter, Grant Thornton also will bill for its expenses incurred in connection with the independent audit services. From time to time, Grant Thornton may receive certain incentives in the form of bonuses and rewards from its corporate card and other vendors. Such incentives to the extent received will be retained by Grant Thornton to cover firm expenses.

13. Grant Thornton intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with these chapter 11 cases, subject to the Court's approval and in compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, U.S. Trustee Guidelines, and any other applicable procedures and orders of the Court. To that end, Grant Thornton intends to submit requests for compensation in accordance with any order entered by this Court with respect to the Administrative Fee Order.

14. As of March 12, 2024, Grant Thornton did not have a retainer. According to Grant Thornton's books and records, during the 90-day period prior to March 12, 2024, Grant

---

<sup>6</sup> If in connection with any subsequent agreements, Grant Thornton is retained to perform additional services at different rates, such rates will be disclosed in connection with the relevant agreements.

Thornton did not receive any payments from the Debtors for professional services performed and expenses incurred. The Debtors do not owe Grant Thornton fees for prepetition services, the payment of which is subject to limitations contained in the Bankruptcy Code. Grant Thornton has agreed to waive all prepetition amounts owed, if any, to it by the Debtors in connection with the granting of the Application.

15. The Debtors believe that the compensation structure described above and set forth in the Engagement Letter is comparable to compensation generally charged by audit consultants and advisors of similar stature to Grant Thornton for comparable engagements, both in and out of bankruptcy. The compensation structure is also consistent with Grant Thornton's normal and customary billing practices for cases of comparable size and complexity that require the level and scope of services to be provided in these chapter 11 cases.

**Grant Thornton's Disinterestedness**

16. In connection with the proposed retention by the Debtors in these chapter 11 cases, Grant Thornton received and reviewed a list of the Parties in Interest and ran a conflict check on the individuals and entities on that list attached hereto as **Schedule 1**. The results of that search are attached hereto as **Schedule 2**.

17. Grant Thornton's review consisted of queries of its internal databases and lists containing names of individuals and entities that are present or recent and former clients including vendors of Grant Thornton in order to identify potential relationships. These databases and lists include vendor activity, engagement activity, or potential engagement activity dating back three years to present. An international relationship check was sent to Grant Thornton International Ltd. member firms in which international entities were identified. An internal database search was requested in order for them to report their existing and past relationships. A summary of those current potential relationships that Grant Thornton was able to identify using its reasonable efforts is reflected in **Schedule 2** attached hereto.

18. On an ongoing basis, Grant Thornton will conduct further reviews of its professional contacts as it becomes aware of new parties of interest, as is stated below. To the best of my knowledge, Grant Thornton: (a) is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code; (b) does not hold or represent an interest adverse to the Debtors' estates; and (c) has no connection to the Debtors, their creditors, or their related parties. To the extent that Grant Thornton discovers any new relevant facts or relationships bearing on the matters described herein during the period of Grant Thornton's retention, Grant Thornton will use reasonable efforts to file promptly a supplemental declaration, as required by Bankruptcy Rule 2014(a).

19. To the best of my knowledge, except as set forth in **Schedule 2** attached hereto and incorporated herein by reference, (a) Grant Thornton has no connections with the creditors, any other party in interest, or their respective attorneys and accountants and (b) the Grant Thornton partners and professionals working on these matters are not relatives of and have no known connection with the United States Trustee for the District of New Jersey, or of any known employee in the office thereof, or any United States Bankruptcy Judge for the District of New Jersey.

20. Grant Thornton has in the past been retained by, presently provides, and likely in the future will provide services for, certain creditors of the Debtors, other parties in interest and their respective attorneys and accountants in matters unrelated to such parties' claims against the Debtors or interests in these chapter 11 cases. Grant Thornton currently performs, has previously performed, or may have performed such services for the entities listed in **Schedule 2**. The list of entities are current or former clients for whom Grant Thornton has provided services. None of the services Grant Thornton is providing in this bankruptcy case will adversely impact them.

21. Grant Thornton has not provided, and will not provide, any professional services to any of the creditors, other parties in interest, or their respective attorneys and accountants with regard to any matter related to these chapter 11 cases.

22. As part of its practice, Grant Thornton appears in many cases, proceedings, and transactions involving many different law firms, financial consultants, and investment bankers in matters unrelated to these bankruptcy cases. Grant Thornton has not identified any material relationships or connections with any law firm, financial consultant, or investment banker involved in these chapter 11 cases that would cause it to be adverse to the Debtors, the Debtors' estates, any creditor or any other party in interest. If and when additional information becomes

available with respect to any other relationships which may exist between Grant Thornton, foreign member firms of Grant Thornton International Ltd., or their partners and professionals and the Debtors, creditors, or any other parties in interest which may affect these cases, supplemental declarations describing such information shall be filed with this Court.

*[Remainder of page intentionally left blank]*

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing statements are true and correct.
